Lactose intolerance is one of the most common food intolerances, affecting up to 65% of the world's adult population. (1) Many people choose to completely cut out dairy as a way to avoid the gastrointestinal symptoms that frequently come along with eating dairy foods. But is true lactose intolerance really the cause of their digestive distress, or are many people prematurely eliminating ...

I recently received an email from a Mr John Bemiss. He had been reading through my various posts about Ubon Ratchathani at around the time of the Vietnam war (you can find all these posts grouped together here) and decided to make contact.. I am glad he did as like everyone who has provided this blog with information about old time Ubon it makes for compelling reading and viewing.

I took SAM-e for about a year while back and found it very helpful. It had no side effects except that I had almost too much energy. You have to think about it--if you have been depressed and now have energy, you need to have a plan to develop the social skills and goals to channel that energy, and get your life on track.
