A dress code is a set of written and, more often, unwritten rules with regard to clothing. Clothing, like other aspects of human physical appearance, has a social significance, with different rules and expectations applying depending on circumstance and occasion. Within a single day, an individual may need to navigate between two or more dress codes. For example, many navigate between a home ...

Modesty, sometimes known as demureness, is a mode of dress and deportment which intends to avoid the encouraging of sexual attraction in others. The word "modesty" comes from the Latin word modestus which means "keeping within measure". Standards of modesty are culturally and context dependent and vary widely. In this use, it may be considered inappropriate or immodest to reveal certain parts ...

a) Duty to accommodate to the point of undue hardship. The Code requires an effort, short of undue hardship, to accommodate the needs of persons who are protected by the Code. It would be unfair to exclude someone from the workplace or activities in the workplace because their Code-protected needs are different from the majority. The principle of accommodation applies to all grounds of the Code ...
