An electric battery is a device consisting of one or more electrochemical cells with external connections provided to power electrical devices such as flashlights, smartphones, and electric cars. When a battery is supplying electric power, its positive terminal is the cathode and its negative terminal is the anode. The terminal marked negative is the source of electrons that will flow through ...

In Gunslinger Girl, the members of Sections 1 & 2 have one of these. For some reason Section 1 finds the concept of cyborg little girls used as a death squad somehow weird. Because Section 1 consists of adult male human operatives, who are not happy about being upstaged by half-mechanical little girls.
