Although scarab amulets were sometimes placed in tombs as part of the deceased's personal effects or as jewelry, generally they have no particular association with ancient Egyptian funerary rites. There are, however, three types of specifically funerary scarabs, heart scarabs, pectoral scarabs and naturalistic scarabs.

Jewellery (British English) or jewelry (American English) consists of small decorative items worn for personal adornment, such as brooches, rings, necklaces, earrings, pendants, bracelets, and cufflinks. Jewellery may be attached to the body or the clothes. From a western perspective, the term is restricted to durable ornaments, excluding flowers for example.

1940s hats were both a continuation of the popular styles of the 1930s and new additions to the casual headwear in the form of the beret, turban, headscarf and snood. Women's hats in the 1940s were a diverse collection of styles largely pulled from different times in history. To list them all would be one monumental task. Instead I pulled together over 20 of the most common styles for the ...
