Here is the reason those "standard techniques" DON'T work for the vast majority of people: You don't truly believe in what you are affirming or visualizing! You can spend hours per day saying affirmations, but if you don't believe in what you are saying, your subconscious mind will never regard those affirmations as true.. Attempting to lie to yourself by repeating affirmations that you don't ...

A Case of Necessary Semantics: Some great thinkers and writers stop short of distinguishing between the subconscious mind and higher consciousness. Instead, they have granted unlimited power to the subconscious, despite it being under the guardianship of the conscious mind. While it may be semantics, the distinction is imperative to understanding consciousness.
