A towel is a piece of absorbent fabric or paper used for drying or wiping a body or a surface. It draws moisture through direct contact, often using a blotting or a rubbing motion.. In households, several types of fabric towels are used, including hand towels, bath towels and kitchen towels. In warm climates, people may also use beach towels.

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".
